

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls. In other words, low-volume and primarily residential customers would bear the same universal service fund burden as a high-volume residential or business customers. This is unfair!

I use my wireless phone for safety, security and convenience. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee. DON,T YOU REALIZE THAT THE TAXE,S ETC ON PHONE BILLS ARE ALLREADY EXTREME \$15.00 TO \$20.00 ON MOST BILL,S I AM RETIRED AND ON A FIXED INCOME AND CANNOT AFFORD ALL THESE ADDED CHARGE,S I USE THE CELL PHONE ONLY FOR EMERGENCY WHEN I TRAVEL...AND EVEN THAT IS LIMITED DUE TO GASOLINE TAXE,S ,TOLLS ETC HAVE A HEART..DONT TAKE ALL MY SPENDING MONEY FOR TAXE,S /FEES

Keep the USF Fair!

Sincerely,

WILLIAM F MCNAIR
